

Subject: AGMES - Where Sustainability is a Priority!

Hi <<First Name>>,

Happy <<insert day here>>, I hope all is well.

Wondering how to do your part this year for Earth month? We all know fashion has proven to be one of the most wasteful industries, so this Earth month - make it a goal to shop sustainable!

[AGMES](#) leads by example as the brand works to be a part of the [solution](#). AGMES is committed to a zero-waste approach by using responsible sourcing to craft their jewelry. Most of the materials used are recycled, helping AGMES create timeless, quality pieces that promote sustainability through longevity.

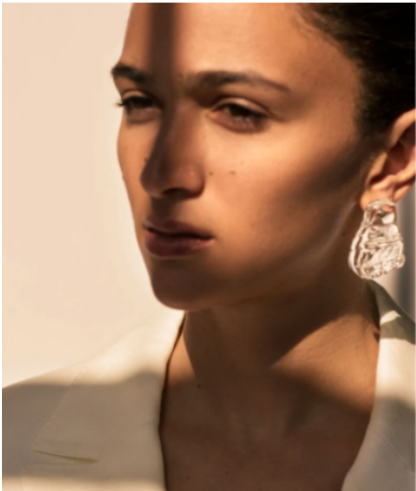

On top of that, AGMES returns any scrap metal generated in the development and making of their pieces back to suppliers for reuse. AGMES works with local New York City businesses on all aspects such as prototyping, packaging, and production. Local production helps the brand minimize carbon footprint.

This Earth month/day make sure to prioritize our planet and practice sustainable shopping!

Does this brand work for any Earth Month/Earth Day stories you are currently working on? I hope so! Don't hesitate to reach out with any questions about the brand.

Kindly,
Isa

About AGMES

Combining sculptural forms and precious materials with thoughtful design and artisan craftsmanship, AGMES creates pieces that are at once distinctive and enduring. Our jewelry, accessories, and objects balance vitality with simplicity. Handmade to order in New York City, each piece is appealing to the eye, inviting to the touch, and destined to become an heirloom.
